

Route 8 Bridge Replacement Project Update

The replacement of the Route 8 bridges over Capitol Avenue and Lindley Street is set to begin next week on June 11 with the commencement of the long awaited traffic shift of Route 8 southbound. Stage 1 construction is scheduled to be completed on June 25, weather permitting.

Important information regarding the project status will be posted on the project website and via social media throughout the construction process, including local road closures, detours, construction updates, and much more!
